Kindergarten students started their "Super Powers" unit of study in Reading Workshop this month. In this unit, students will learn more about their very own super reading powers like pointing power, partner power, reread power, and more. The students were so excited to get a visit from "Super Reader Man" (aka Mr. Hawkins) last week. He talked to them about the importance of working hard and reading a lot of books. Keep reading Kindergartners! You're off to a super powerful start!

School Breakfast - Good for Kids and Good for Parents!

For parents with busy schedules, it can be hard to make sure that kids are eating a healthy breakfast before they go to

school in the morning.

Sometimes children aren't hungry right after waking up, and it's hard to find food they like to eat that is also healthy. Also, some kids refuse breakfast at home but are hungry when they arrive at school. Fortunately, we have a great breakfast program for all students, and it's available at school every day.

If morning meals are difficult for your family, let the School Breakfast Program help you out!

Congratulations to the members of the Hikin Herons; "After School Club" for their enthusiasm and energy as they hiked the Tamworth/Chocorua trails to earn their badges. Five completed all the hikes and the others only have a few left to do!!
